The theme of Deepawali is glorified as victory of the enlightenment against spiritual darkness, goodness against evil and justice against injustice.

Our beloved Hindu sisters and brothers celebrate this auspicious event to commemorate the day which Thiru with help of Thirumal defeated Narakasuran. All the sources clarify that The Deepawali is celebrated by Hindus to commemorate as the day which righteousness became victor over wickedness, wisdom defeats ignorance and establishes wealth of knowledge.

On the path of excellence to create a nation walking towards a new revival which carries the theme “Pohosath Ratak – Lassana Jeewithayak”; This Deepawali gives a unique position to above theme. I humbly and joyfully mention it in this auspicious occasion.
